

Hí!

You don't know me, but I wanted to brighten your day, so I've just paid for your order. No gimmicks - it's just something I felt like doing.

I heard about this on LifeSongs 89.1 FM. They call it the "Drive-Thru Difference." It's their way of encouraging people across south Louisiana to make a difference in their neighbor's lives. It may even be something you'll want to do for someone else.

I hope this encourages you today!

Signed,

The person in the car ahead of you
